

Winners of the Bob Wildgust Trophy for Director of the Year

Introduced in 2024 by NANDA as a replacement for the Pat Johnson Trophy, which was lost in 2021, and had been originally donated by Peter Johnson in memory of his wife, Pat, who had played a significant part in the development of the Play of the Year Competition. The new Trophy was named by the Council to commemorate the contribution that Bob Wilgust had made over many years before his death in 2022.
